

**METHOD AND DEVICE FOR USING STYLING TAPE
FOR BODY AND HAIR ACCESSORIZING**

Abstract

5 A method of using styling tape for body part and hair accessorizing is disclosed. The method may include cutting a self-adhesive tape into a strip or other elongate shape and stretching it to obtain at least some tension. The user may wrap the self-adhesive strip around a bundle of hair or a body part, and may press the self-adhesive strip onto itself to secure the strip or other elongate shape.
